

Soft skills and Management

To be **effective** in one's work, one must mobilise technical know-how, relational skills, situational intelligence and emotional skills.

Finding the **right balance** between all these human “tools” is not easy, yet it is essential.

LLTI's management and personal development training courses will help you **gain self-confidence** and **boost your self-esteem**, a fundamental element of any good working relationship.

- Leadership (at all levels)
- Senior managers
- Women leaders
- Soft skills training
- Professional Effectiveness
- Effective Communication
- Problem solving and creativity
- Cross-culture (expatriate module)
- Intergenerational

Human Interaction

A dedicated and certified trainer with a recognised experience in teaching and the business world.

Teaching Excellence

All our courses in soft skills and management also **contain working documentation** and **assessments** for immediate application in the professional environment.
